

JACQUES MAJORELLE

Inspired by the beautiful Majorelle Gardens in Marrakech, Jacques Bar pays homage to the life and legacy of Jacques Majorelle, the French painter who cultivated his lush Moroccan oasis over the course of forty years.

As all great works of art are set to outlive their creator, Monsieur Majorelle's villa and garden was later acquired by Yves Saint-Laurent and Pierre Bergé who restored it into the world-renowned cultural attraction it is today.

From ambiance to cuisine, Jacques Bar seeks to deliver the vibrant spirit of the Majorelle Gardens to New York City.
